**LETTER**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Responsive to the Official Action from the Patent and Trademark Office dated September 4, 2002, we certify that the individual who prepared the sequence listing for the above-identified application has verified that the sequence identification numbers listed in the specification and the claims of the present application coincide with the sequence identification numbers of the CRF and the Raw sequence listing submitted.

If the Examiner has any questions concerning this application, he is requested to contact the undersigned.

Respectfully submitted,

Date October 3, 2002
